Subject: ARD SHOUT OUT!!!

Happy Holiday to All,

Shout Out to the best Division!!! I appreciate everyone's candid discussion during our 'Coffee Talk(s)'. Now that you all weighed in we have a path forward with our A3 EVS projects. Also, thank you all for participating in the series of Holiday Events. It would not have been a success if it was not for those who did the decorating, planning, and participating. Special kudos to **Kendall** and her leadership leading the way. Last but not least good bye and thank you for years of hard work and service to **Ms. Dorothy Crawford** and **Ms. Janice Olson** who are leaving us. We wish you both the very best!!!

ARD SHOUT OUTS FOR A JOB WELL DONE!!!!!!!!!!!!

- ✦ Fran, Mark, Ashley, Clovis, Susan, Ellen, and David for captured in a small conference room conducting a TSA LEAN Event m----- great job led by Fran/Clovis/Ashley
- ✦ Dayana, Karolina, Clovis, Suzie and Jennifer for their help on the Texas Regional Haze public hearing ----- first one in the Regional office

- ✦ Bob and Erik for their cooperation with TCEQ to review SO2 modeling and provide guidance to the industry group from Borger ----- yes, we had a good meeting with industry and this project has some promise
- ✦ Sherry for her work on getting the extension to the public comment period for the NM 2008 Ozone transport proposed action signed --- I had some technical issues trying to digitally sign, Carl thanks for your help
- ✦ Carl and Carrie for all of the hard work on preparing the draft response to comments for the Houston Redesignation action ---- 'heavy lift' no doubt please persevere
- ✦ Nevine for coordinating the call with NM on SO2 Transport ----- State partnership
- ✦ Wendy and Nevine for their role in helping to plan and coordinate Ugly Sweater Day----- thank you to ALL for your planning efforts on all Holiday events
- ✦ George for quickly completing a response to a controlled correspondence on mold --- - thanks again much appreciated
- ✦ Randy for reaching out to various area councils to determine their continued interested in the Ozone Advance Program ---- more partnership efforts
- ✦ Jeff Riley for coordinating with OTAQ on the Airport Lead report to make sure that we are prepared when they are ready for the rollout ----- we will get that report next year, I hope
 - Again, Jeff for his tireless work in support of DOT in making conformity determinations throughout the Region - ----- check out the nice letter from the DOT's Division Administrator acknowledging Jeff
- ✦ TO OTHERS WHO I MAY HAVE MISSED

David F. Garcia, P.E.
 Director
 Air and Radiation Division
